

## SAMPLE TASK BASED ACTIVITY

### **The Task Cycle**

#### TEACHER'S ROLES:

1. Designer of the task
  - a. Provide a definite aim for each task-based activity
  - b. Provide a clear procedure
  - c. Clearly define the role of each student
  - d. Set the time
  - e. Set the form of feedback
  - f. Set the standards for the assessment
2. Initiator of the tasks
3. Participant
4. Negotiator
5. Appraiser of the fulfillment of the task

#### SAMPLE TASKS

1. You are to do a mock trial on the crime committed by Mario.
2. You are a news team. Make a live report on the incident.
3. You are to write an epilogue and present it in class.
4. Present a 3 minute drama of the part of the play that you like or dislike.

#### *Pre-task Phase*

- Agree / plan how the activity should be conducted
- Agree on the standards for grading
- Agree on the roles that each member has to play

#### *During the task Phase*

- As the students do their thing, the teacher has to go around to support and affirm

#### *Post-task Phase*

- Presentations

REFLECTION – talk about their performances. Let the students do peer critiquing.
